

AXIS SUMMER CAMP 2027

Youth camps offer an incredible opportunity for students to disconnect from the distractions of everyday life and connect deeply with God. They often lead to life-changing experiences, spiritual breakthroughs, and lasting impacts. Held annually in January, Axis Summer Camp helps students start their year with renewed vision and godly momentum.

The camp includes powerful worship services, impactful preaching, morning devotions in nature, leadership-focused activities, team-building fun, shared meals, and much more! While each year's program may vary slightly, the core mission remains the same: to create an environment where students can encounter Jesus in a fresh and meaningful way.

Our destination is Camp Discovery situated just outside the Dinokeng Game Reserve, 1hr 30mins away in Hammanskraal. To ensure that this experience has the biggest impact on your child's life, all Cellphones, iPods, Handheld Video Games and any other Electronic Devices (excluding Cameras) will be taken on arrival and kept in safe keeping. Not to worry though, we will keep you updated throughout the camp using a Whatsapp Group for all parents.

FRIENDSHIP

In a world relentlessly shouting for students' attention and tempting them to focus on themselves, we are calling for a radical shift. The heart behind this year's theme, "Make Much of Jesus," is simple: glorification. Our vision for this camp is to inspire students to magnify Jesus in their motives, actions, and choices—turning away from self-absorption to embrace every opportunity to make much of Him with their lives.

CONSENT FORM

Indemnity, Waiver Of Liability And Assumption Of Risk

I, the parent/legal guardian, understand and acknowledge that participation in the Axis Summer Camp and all related activities involves inherent risks, including those described in the 'Warning: Risks of Participation' section at the end of this form, and that these risks cannot be eliminated entirely despite reasonable precautions. I, the parent/legal guardian, voluntarily assume all such risks, including those arising from activities preliminary and subsequent to the Axis Summer Camp. To the maximum extent permitted by the law of the Republic of South Africa, I, the parent/legal guardian, agree that The Life Church South Africa, its leaders, employees, agents, and volunteers shall not be liable for, and I hereby waive any claim against them for, any loss, liability, action, cause of action, claim, expense, or damage arising from injury to, illness of, or death of any of my children registered on this form, or loss of or damage to their property, connected with the Axis Summer Camp or any associated activity, including transport to, from, and during the Axis Summer Camp. This waiver does not apply to loss or damage caused by gross negligence or intentional misconduct.

I, the parent/legal guardian, further indemnify The Life Church South Africa, its leaders, employees, agents, and volunteers against any claim brought by or on behalf of any of my children registered on this form, or by any third party, arising from the matters described above, save where the loss or damage was caused by gross negligence or intentional misconduct. I, the parent/legal guardian, furthermore do not hold The Life Church South Africa, the Axis Director, or any leaders responsible for the loss of any personal property belonging to any of my children registered on this form, whether by theft, accidental loss, damage, being left behind, or destruction, at the Axis Summer Camp. This does not apply to loss or damage caused by gross negligence or intentional misconduct. I, the parent/legal guardian, do not expect replacement of, or payment for, any items lost, stolen, or destroyed at the Axis Summer Camp or any other event, service, trip, camp, or group hosted by The Life Church South Africa.

I, the parent/legal guardian, expressly agree that this release, waiver, and indemnity is intended to be as broad and inclusive as permitted by the law of the Republic of South Africa. If any portion is held invalid or unenforceable, the remainder shall continue in full force and effect. This document contains the entire agreement between the parties regarding its subject matter, and its terms are contractual and not mere recital. I, the parent/legal guardian, confirm that I have carefully read this release and understand its contents, that its terms have been drawn to my attention, and that I accept it voluntarily on behalf of each of my children registered on this form. This is a legally binding agreement.

Disciplinary Agreement

I, the parent/legal guardian, understand that while any of my children registered on this form participate in any activities sponsored by The Life Church South Africa, including the Axis Summer Camp, each child is responsible for abiding by the rules set by the church, its leaders, and its supervisory personnel. Any serious infraction of the rules or serious misconduct by a child/children may result in that child's dismissal from the program. If any of my children is dismissed from the program, I, the parent/legal guardian, agree to fetch that child, or to bear the cost of returning that child to his/her home, and I agree that no refund will be due. I, the parent/legal guardian, understand that dismissal would only occur under special circumstances and only after direct consultation with me, where reasonably possible, and with the Axis Director.

Consent

I, the parent/legal guardian of each child registered on this form (each referred to as the 'child', and together the 'children'), being a member of Axis youth ministry of The Life Church South Africa, hereby give consent for the child/children to participate in the Axis Summer Camp on Thursday 07 January 2027 to Saturday 09 January 2027 at Camp Discovery, Dinokeng 0460

I, the parent/legal guardian, am aware that:

- The child/children may be in a mixed-gender group for program activities and will be accompanied and supervised by an adult facilitator. All bathroom facilities and sleeping arrangements are separate for boys and girls.
- Consent is given for participation in all activities listed on the program. The program is designed to achieve certain outcomes through the selected activities, and children will be encouraged to take part in all of them. Activities are "challenge by choice", in line with the experiential learning model, meaning a child/children will be encouraged but never forced to take part in an activity.
- A child/children will not be allowed at the Axis Summer Camp unless this consent form has been completed, accepted, and submitted. This form and the information on it will be kept for five (5) years in accordance with POPIA and will thereafter be destroyed or de-identified.
- The Axis Summer Camp is an alcohol- and drug-free event. Alcohol and banned substances may not be used or possessed, and any such items and the persons responsible will be removed from the premises.
- The Axis Summer Camp program is designed with purpose and fun, to facilitate learning, encourage exploration and healthy risk-taking, and promote respect and awareness of others and their differences. Where a person's behaviour is contrary to this, that person will be asked to leave the premises.

If any of my children registered on this form have medical conditions which may be relevant to a physician in the event of an emergency, I, the parent/legal guardian, have listed them next to each child's name. I, the parent/legal guardian, confirm that this information is accurate and complete, and I will inform The Life Church South Africa of any changes before the Axis Summer Camp. In the event of an emergency, I, the parent/legal guardian, will first be contacted on the contact number provided. Only if neither I nor my listed emergency contacts can be reached do I, the parent/legal guardian, hereby authorise the Axis Director or the person in charge of the Axis Summer Camp to act in my place, with full authority to make emergency decisions on behalf of each of my children registered on this form, including consenting to first aid and/or medical treatment recommended by a medical practitioner or surgeon. I, the parent/legal guardian, understand that all costs of such treatment are my responsibility.

I, the parent/legal guardian, consent to photographs, statements, audio-visual recordings, video, and sound bites of my child/children, taken during the Axis Summer Camp, being used by The Life Church South Africa free of charge for marketing and communication purposes. I, the parent/legal guardian, understand that my child's/children's personal information will be processed in accordance with the Protection of Personal Information Act 4 of 2013 (POPIA) and that I may withdraw this consent in writing at any time, without affecting use made before withdrawal. I, the parent/legal guardian, hereby consent to my child's/children's participation in swimming activities in a swimming pool under supervision of a leader or camp facilitator during the Axis Summer Camp.

Warning: Risks of Participation

The Life Church South Africa takes reasonable precautions against reasonably foreseeable risks. However, the nature of the program and the possibility of accidents make it impossible to guarantee the complete safety of participants. Examples of risks include heat exhaustion, twisted ankles, injuries from physical activity, swimming and drowning, guided game drives, program accidents, and accidents while in transit to, from, and during the Axis Summer Camp. Some of these risks may result in serious injury or death. By ticking the first box below, I, the parent/legal guardian, confirm that I understand and accept the risks involved for my child/children. An activity risk assessment for the program is available from the organiser on request.

☐ I have read and understood the Warning: Risks of Participation and the Indemnity, Waiver of Liability and Assumption of Risk, and I accept the risks and the waiver.

☐ I have read and agree to the Disciplinary Agreement, and I give the medical, photograph and recording, and swimming consents set out above.
